class Number 11

During Christmas Daddy ~~drove~~ drove us

to Zhuhai and it was very fun.

There were so many games to play, such as go karting, trampoline

park, theme park and so much

more. We also went to different

hotels where the rooms are

very cool and it has a large

cinematic projector playing my

favourite movies. The food in

Zhuhai is also very very delicious.

I like eating Guangdong tea ~~hat~~ pot

and roast chicken chocolate pudding.

Lastly, I like to go site seeing

in different provinces, learning

the history of China and go to

high speed rail and classic cars

museums.
