

Woo Woman

Tom Johnson woke up in a bad mood!

“Shut up!” he said angrily.

Suddenly Woo Woman showed up, “What’s the problem?”

“I hate you!”

“Why? *You* look ugly.”

Now a fight began. Woo Woman jumped high, hitting Tom with her purse. She smiled, fiercely. The fight got intense. Even the army came in.

When the battle was over, Woo Women’s team won! But Tom’s army regrouped, and called themselves ‘Robo flies’. But they lost once more.

“Well, let’s go to McDonald’s and eat ice cream.” said the soldiers.

“And a burger, I guess.” added Bizer, licking his lips.
