Your paragraph text

Rosie, a beautiful and courageous teenager, lives in the woods. She survives by eating berries, chestnuts and fruits from the bushes and trees.

One day, she hears squeaky noises from the village which she never dares visit. She finds some metal and crafts it into a sword. "If I go there, I need to be ready!"

She tells herself.

Rosie follows the noises to a shack. “Squeak... SQUEEEAK!!!” She knocks on the door and shouts loudly, “Open up!” A voice replied, “BUUOOUT!” Rosie kicks open the door and discovered a prince vomiting into a squeaky toilet! “Oops!” She runs off!
