

On Sunday, Alex and his mom went to a giant park. First Alex went on the swings then on the slides. After a while Alex was thirsty so he walked to where his mom sat, but she was not there. Alex went to the benches, the swings, the sandbox, the monkey bars, and even under the tunnel, and up on the hill but still could not find her. So he walked around and asked people: "have you seen a woman with a red hat and a fancy handbag?" everybody said "No". All of a sudden, Alex's phone rang and it was his mom saying that "I went to buy boba". At that moment, I realized that it was a misunderstanding. In the end, mom and I went home happily with our boba. The End By Quinn
