

The Mysterious Girl In The Wild

There was once a girl her name was Valerie . She had an amazing voice but she hated her voice. Therefore, she would only sing out her voice when she is alone.

But one day a girl was roaming around the woods when she heard this beautiful singing and she listen and clap her hands at the end with amazement. She had never in her life heard such an amazing voice before. And when Valerie turned she was to embarrassed to even reply back, so, the girl said your voice is amazing you should try to preform tonight in my father's theater.
