

My incredible Sunday morning

When I woke up this morning, the sun was shining, and birds were humming. I had a feeling that I was about to have the most eventful day.

My family and I visited the cherry blossom garden near the Airport which was filled with pink Sakura that everyone admired and was busy taking photos of. While enjoying the flowers, I saw a few cute Shiba, which stole my heart.

Afterward, we went to Cinnabon, where they serve delicious, sweet treats. Overall, it has been a lovely morning, and I'm feeling grateful for all the little things that make life beautiful.
