

This Saturday is not a day for me!

Weird Zach says hi to me, his filthy rat jumps onto my knee.
All rats horrify me, my tender Ted in my sack cuddling in glee.
Off the bus, pouring rain drenching me, Ted the cat is mad at me.

Home sweet home, nagging Nat snatches beloved Ted away from me.
The soaked Ted stares at me; grumpy Gram puts an ugly hat on me.

Off we go to the Vet, the mean doc warns me:
"THE CAT MUST STAY!"
Sick Ted worries me, and bad luck keeps following me.
Wish this miserable day never repeated for Ted and me.
