

Hosain

By: Jonah Wong 5E

Once upon a time in Skytopia, where Fairies fluttered around the sky and Giants ate cherry blossoms, lived a 8-years old boy named Hosain. His house rested on a fluffy cloud. Each morning, he would wake up with his cute pet flying hamster, Curig. One day, while riding his Nimbus Cloud to school, tragedy struck! A Cyclops was attacking Skytopia! Giants rushed to fend off the Cyclops, but it was no use. Suddenly Hosain remembered what he learned in school, he grabbed a Cloud Sphere and aimed at the Cyclops's eye. "Bam!" The beast fell, and everyone cheered for Hosain!
