

FIRE...?

By: Scarlett Wong (Class 5F)

Brrring! The smoke alarm screeched at Summer in her bedroom. “Fire!” Summer yelled, jumping off her bed. Grabbing her water bottle and a wet towel, she jerked open the door. “What are you doing?” Summer’s mom brought her to a halt. “Fire!” Summer gasped, “Smoke alarm! Get out!” “There’s no fire!” Summer’s mom calmed her down, “Dad’s making toast and it burned.” “Oh,” Summer dropped her towel. “No, now hurry up and get your bag,” Summer’s mom urged, “At least you’ll know what to do if a real fire happened.” Summer shrugged as she got her bag and went out.
