

Accelerated Reader (AR) Program

1. Go to <https://www.caisbv.edu.hk>
2. Select Lionsden icon on the top right.
3. Log in
4. Click on CAIS Library

5. Select **Resources**, then **AR Program** from the dropdown menu.
6. Click on **Accelerated Reader (AR) Program**.

One of the main features of the CAIS Library is to promote student literacy, and one of the main tools used for this is the **Accelerated Reader (AR) Program**. AR is a reading assessment program that motivates students to read by

tracking their achievement and awarding points for progress made. Students read books of their choice, at their own levels (Guided Readers) and at their own speeds and then take computerized quizzes based on these books. AR provides students with instant information and reinforcement on their reading levels. Students receive points for these quizzes, which are added to their reading record, and which can be converted into fun prizes.

7. Select **I'm a Student**

8. Log in with your AR username and password.

For **new** students, Login name: **Network name** Password: **ABC**

User must change password at next login.
