

THE BLUEBUNN PLANET

BY AYLEEN CHEUNG

In a world born of my wild imagination,
Full of magic and lots of cute creation.
First, there is Berry, often rather bored,
A gingerbread man with purple jelly on top, adored.

Next, we find gentle Drake,
A true cake lover, make no mistake.

Then comes bossy Burp,
With his snake named Slurp.

Last we have caring Crusty,
Always dressed fancy for the party.

Together on Bluebunn Planet, they stay,
Having fun, come what may.

This world of my imagination,
Becomes an illustration, a big celebration.

Created with my lovely cousin, Ashlyn,
Whose laughter and joy make our tale begin.
