

A FAIRY TALE

Once upon a time there was a princess called Twinky and a queen named Clanky. Twinky was bestowed with a **g**enerous **g**ift by a **f**abulous **f**airy. It was a **s**hining, **s**parkling and **s**himmering diamond ring. Twinky wore it daily until the day when Queen Clanky inquired about its origin. Twinky, quick on her feet, claimed she'd discovered it in the nearby **r**aging **r**iver. The **q**uixotic **q**ueen wasted no time and plunged into the river, tirelessly searching for hours. Wait! She'd found something **g**lowing, **g**linting and **g**littering under water. She picked it up immediately.....Alas! It was a **s**tainless **s**teel **s**ilver *teeth!*
